Wanna go to the place(where)i dream  
Wanna go to the place(where)i hopeSearching for my angel  
I know i must believe I'm not wrong  
Wanna hear her voice with no hesitation  
Just can't hear her voice  
Searching for my angel  
I know I'm sure now I'm not wrong  
Wanna hear her voice with no hesitation  
Still can't hear her voice"oh, please let me hear your voice", the angel of salvation  
Wonder if she talks to me and holds my body certainly  
"so, please let me hear your voice", the angel of salvation  
Wonder if she takes on me wonder if she gives her love to me  
"oh, please let me hear your voice", the angel of salvation  
Wonder if she talks to me and holds my body certainly  
"so, please let me hear your voice", the angel of salvation  
Wonder if she takes on me wonder if she gives her love to me
