

Rock Star

Everclear

Leave me, go
Leave me, go I don't want to be a loser, no
I don't want to be, an almost was
I don't want to be a white trash working class chump
I don't want to be a loser anymore That's why I want to be a rock star, I want to be the king
I want to be on top, yeah, I just want to be a rock star
Yeah, now I just want to be famous
I want to be the guy that everybody wants I want to be on TV shows and wear designer clothes
I want a girlfriend who does not drink beer
I want to drive a fast car and sleep with certain movie stars
I want to sing the songs that all those little people want to hear I just want to be a rock star
I want to be like all those people up in first class
I just want to be a rock star
I want to tell the little people they can kiss my ass Yeah, I just want to be a rock star
I just want to get laid
Yeah, I just want to be a rock star
A different girl for every different day That's why I want to be a rock star
And be like all those guys on the MTV
I just want to be a rock star
I want to make those girls on The Real World fantasize about me I just want to be a rock star, I want to be the
king
I want to be on top
Yeah, I just want to be a rock star
Yeah, I just want to be famous Everybody everywhere wants to be famous
And everybody everywhere wishes they could tell
Everybody everywhere to go to hell
I just want to be a rock star, yeah, I just want to get high Yeah, I just want to party like a rock star until the day I
die
I just want to be a rock star
I just want to be a rock star
I just want to be a rock star
