

# Little Miss Understood

Rod Stewart

There has to be a reason  
Why everyone speaks bad of my baby  
I think I know that reason  
And it is oh so sad They say she walks the streets  
But that's not strictly true  
She's got a lot to eat  
She's not as rich as you She's just a little Miss Understood  
That's all Everyone needs somebody  
To get them through that time  
You may not love that someone  
As much as I love mine But if she walks the streets  
Does that condemn her soul?  
Or is Heaven so complete?  
It rejects a heart of gold She's just a little Miss Understood  
A little Miss Understood, a little Miss Understood  
That's all And if she walks the streets  
Does that condemn her soul?  
Or is Heaven so complete?  
It rejects a heart of gold She's just a little Miss Understood  
A little miss understood  
She's just a little Miss Understood  
That's all And if she walks the streets  
Does that condemn her soul?  
Or is Heaven so complete?
