

# Royal Hotel Blues

[Kevin Quain](#)

the sun sets on the parking lot  
we wave to the cops  
big daddy bums a cigarette  
someone calls my name  
the cars roll by on main  
past all these small town romeos and juliets i'm hiding out trying to find a shadow  
can't talk right now i'm staring out the window  
and jimmy's down on the sidewalk making friends  
and me i'm lost again  
it started with a kiss one day we'll laugh about this  
i'm scared this make believe won't make it  
i know this crush won't last but i am learning fast  
if you don't feel it better fake it  
don't stop pretending i'll stop believing  
i'm down not out flat on my back and dreaming  
of you in a swimming pool full of rain  
and me i'm lost again maybe we're innocent  
maybe it's an accident  
when a body meets a body  
coming through the alley under this little cloud i'll count my blessings now  
if you quit telling me i'm too serious  
i'm waiting patiently for something to happen to me  
something so beautiful and mysterious  
i'm coming down i'm staring at the ceiling  
i'll be all right it's just that old sinking feeling  
and two actors are getting married in the rain  
and me i'm lost again now i'm standing here while summer disappears  
in this cruel september daylight  
something i have seen somewhere in a dream  
one little rabbit in the headlights  
and a waitress is waving at my train  
and me i'm lost again
