Yes Boss

Mikkel Hess

Hello sweet Pie
I'm really glad you could make it
I think we should get straight
to business.

Show me what you've got
It's all yours.

Yes Boss
I'm on the Mic
I'll try to give you
What you like
i can be soft
I can be hard
Let me do the B-part
Please...
Please...

Sugar, sugar
So close and yet so far
I would love to take you
to the B-part
But i'm afraid we are not
quite there yet
So darling...
Grab that Mic again
and give it your best shot.

Yes Boss
I'm on the Mic
I'll try to give you
What you like
i can be soft
I can be hard
Let me do the B-part
Please...
Please...

Ooh, yeahh
That's what I call sweet music

I really like what you're doing here
Yet I think you gonna have to work
a little harder baby
Just a little harder

Yes Boss
I'm on the Mic
I'll try to give you
What you like
i can be soft
I can be hard
Let me do the B-part
Please...
Please...

Oh la laahhh
I think you got me there baby
Come along
Come along baby
Here comes the B-part.
