

# I'll Make It Easy

## Moonchild

a smile in the morning  
these lips to end the day  
I'm not that other woman  
that made you so afraid I'll make it easy  
lemonade on a summer's day  
I just want to love you  
somehow we'll find a way I didn't come to change you  
you're fine as you could be  
won't spend my day a wondering  
just come on home to me cause I'll make it easy  
lemonade on a summer's day  
I just want to love you  
somehow we'll find a way oh, all I wanna do is love you baby and if it feels right  
for you to say goodbye  
go ahead, I'll find another  
who loves the easy life I'll make it easy  
lemonade on a summer's day  
I just want to love you  
somehow we'll find a way
