Midas Touch

Midas Touch

You say you're going through changes
Every day it seems your life is up and down
And you say that you're looking for an answer
Everywhere you look it seems you can't be foundLike searching, trying to find the rainbow
No one's ever found it, yet it's told to be
But if you're looking for a lover
Everything you need, yeah, you can find right here with meI've got the Midas touch
Everything I touch turns to gold, oh sugar
I've got the Midas touch
Baby, let me touch your body and your soulI've got the Midas touch
Everything I touch turns to gold, oh sugar
I've got the Midas touch
Baby, let me touch your body and your soulNow you've been trapped by love
Someone takes your heart and then says goodbye
So you say that you'll never love another
Tired of playing games and that's the reason whyBut now whenever we're together
There's a certain feeling, that we both agree
And it's time that you've opened up to love
Cause if you don't ever try, then baby, you may never seeI've got the Midas Touch
Everything I touch turns to gold, oh sugar
I've got the Midas Touch
Baby, let me touch your body and your soulI've got the Midas Touch
Everything I touch turns to gold, oh sugar
I've got the Midas Touch
Baby, let me touch your body and your soulTogether you and I we're meant to be
I'll be right beside whenever you need me
This love we have will never fade away
You can count on me cause I'm here to stay, yeahI've got the Midas Touch
Everything I touch turns to gold, oh sugar
I've got the Midas Touch
Baby, let me touch your body and your soulI've got the Midas Touch
Everything I touch turns to gold, oh sugar
I've got the Midas Touch
Baby, let me touch your body and your soul
