

22 Years

Styx

Written by john curulewski
Lead vocals by james young, dennis deyoung

I've got a crazy little mama
Lord, she's my heart and soul
I don't even have to tell ya
She knows how to rock and roll
Well this crazy lovin' mama
Makin' everything all right
I don't even have to tell ya
She makes things seem outta sight
All right

Whenever I'm down
And nothings going right at all
I just think about my baby
And all I've got to do is call
When the evening's looking pretty
And the day's hanging out too long
I know my baby cares about me
Right or wrong
It took a long time to find her
It took a lot of laughs and tears
It took a long time to find her

It took me 22 years
I've got a crazy little mama
Said, lord, she's my heart and soul
Yeah yeah yeah yeah yeah yeah
I don't even have to tell ya
She know's how to rock and roll
Well this crazy lovin' mama
Makin' everything all right
Yeah

I don't even have to tell ya
She makes things seem outta sight
All right
It took a long time to find her
It took a lot of laughs and tears
It took a long time to find her
It took me 22 years

Oh my
22 years
22 years
22 years
22 years
22 years
22 years
22 years
