

Push Push

Push Me, Pull Me I had a false belief; I thought I came here to stay.

We're all just visiting, all just breaking like waves.

The oceans made me, but who came up with love?

Push me, pull me, push me, but pull me out. So if there were no angels would there be no sin?

You better stop me before I begin.

But let me say:

If I behave, can you arrange a spacious hole in the ground?

Somewhere nice, make it nice

Where the land meets my pride.

Push me, pull me, or pull me out.

Like a cloud dropping rain I'm discarding all thought.

I'll dry up leaving puddles on the ground.

I'm like an opening band for the sun.

Push me, pull me, or just pull me out out out .

I've had enough, said enough, felt enough, I'm fine.
