Somebody Loves You

Charlie Wilson

Girl don't it feel good to know that somebody loves you, baby?
Girl don't it feel good to know that somebody loves you, baby?

Hey Ms. Beautiful
Don't know what I'd do without you, my incredible
Superhero woman, you're so unbelievable
The magic that I feel around you brings me to life every time
More than physical
The aura that I see around you, irresistible
Sexier than models, you are finer than in *Vogue*
The magic that I feel around you brings me to life every time

Charlie loves you, baby!
Somebody loves you, baby
Loves you, loves you, loves you
