Gold

Marie Hines

GoldGold
Like the stars that fill the sky
Like the way I feel
when I hold youGold
Like the ring that's on my hand
And the promises you kept
I hold toI was lost within the largest ocean
I was buried beneath the darkest deep
Of all the riches and the simple fortunes
You braved the depths for meGold
In the quiet of the dark
In the caverns of my heart
You shone throughMy Gold
You shimmer in the light
To know is half the fight
And I know youI was lost within the largest ocean
I was buried beneath the darkest deep
Of all the riches and the simple fortunes
You braved the depths for me
