

catch (misha klein & prohorov rmx)

Kosheen

Catch youYou create misery
Have your cake and eat it
Take your place in history
And pray we don't repeat itCall it faith,
 call it back,
 call it off
 Don't call me later
 Lay your head in your bed
It's just how they made itOut of my way I'm running
 I'm gonna catch you if I can
 Out of my way I'm coming
I'm gonna catch you if I canOut of my way I'm running
 I'm gonna catch you if I can
 Out of my way start running
I'm gonna catch youIt's your day believe it
 It's your date with destiny
 It's too late to leave it
 After all it's your
 it's your party
 Call it luck, call it faith,
 call me beautiful to my face
 Call it out to my surprise
It's just how they made itOut of my way I'm running
 I'm gonna catch you if I can
 Out of my way I'm coming
I'm gonna catch you if I canOut of my way I'm running
 I'm gonna catch you if I can
 Out of my way start running
I'm gonna catch youOut of my way I'm running
 I'm gonna catch you if I can
 Out of my way I'm coming
I'm gonna catch you if I canOut of my way I'm running
 I'm gonna catch you if I can
 Out of my way start running
I'm gonna catch youCatch you
 Catch you
