

# It's Easy Loving You

## Smokey River Boys

To know you is to love you  
Good love you just can't hide  
When you love someone it's natural  
To share what's deep inside Oh, it's easy loving you, it's not hard to do  
When I think of all our happiness  
Well, here's to me and you  
Oh, it's easy loving you since you made my life brand new  
Loving you's so easy 'cause it's easy loving you Being here beside you  
Makes me realize  
Easy, loving's easy  
I can see it in your eyes Oh, it's easy loving you, it's not hard to do  
When I think of all our happiness  
Well, here's to me and you  
Oh, it's easy loving you since you made my life brand new  
Loving you's so easy 'cause it's easy loving you
