

# Love

## Above The Golden State

I pray for love like Yours for me  
I pray for love like Yours for me I pray for love more and more  
That I might have love like Yours  
A love that shines upon the earth  
A love that fills the ocean floors I pray for peace like rivers flow  
I pray for joy like fountains glow  
A faith that moves the mountains to seas  
But most of all I pray for love like Yours for me  
I pray for love like Yours for me, yeah I pray for love more and more  
That I might have love like Yours  
A love that goes from east to west  
A love that has no height or depth I pray for peace like rivers flow  
I pray for joy like fountains glow  
A faith that moves the mountains to seas  
But most of all I pray for love like Yours for me  
I pray for love like Yours for me, yeah I pray for peace like rivers flow  
I pray for joy like fountains glow  
I pray for truth and grace over me  
I pray for strength, this hope I believe  
A faith that moves the mountains to seas, yeah, yeah  
But most of all I pray for love like Yours for me  
I pray for love like Yours for me  
I pray for love like Yours for me  
I pray for love like Yours for me
