Applause (Concept Demo) Take 2

Lady Gaga

I stand here waiting for you to bang the gong
To crash the critics saying, "is it right or is it wrong?"
If only fame had an IV, baby could I bear
Being away from you, I found the vein, put it in hereI live for the applause, applause, applause
I live for the applause-plause, live for the applause-plause
Live for the way that you cheer and scream for me
The applause, applause, applauseGive me that thing that I love (Turn the lights on)
Put your hands up, make 'em touch, touch (Make it real loud)
Give me that thing that I love (Turn the lights on)
Put your hands up, make 'em touch, touch (Make it real loud)(A-P-P-L-A-U-S-E) Make it real loud
Put your hands up, make 'em touch, touch
(A-P-P-L-A-U-S-E) Make it real loud
Put your hands up, make 'em touch, touchI've overheard your theory
"Nostalgia's for geeks"
