

Deeper And Deeper (Shrubbn!! Single Version)

Dave Gahan

I want your love I'm gonna have you
When I want to
I'm gonna take you
That's what I like I'm going down now
Deeper and deeper
Under your skin
You know that it's right I wanna love you
I want your love
I wanna love you
I want your love You can't tell me
That you don't want it
You know that I like it
When you put up a fight I'm gonna have you
When I want to
I'm gonna take you
That's what I like I wanna love you
I want your love
I wanna love you
I want your love I wanna love you
I want your love
I wanna love you
I want your love I'm gonna have you
When I want to
I'm gonna take you
That's what I like I'm going down now
Deeper and deeper
Under your skin now
You know that it's right I wanna love you
I want your love
I wanna love you
I want your love
