

La La La

Snoop Dogg

Then I walk and I talk to this one
Then I laugh and go to a better one
Hey once you want to get the getty, getty
And the problem will get real dretty, dretties
WHo feels it lost, and I suppose that you?ll never know
Ohh, you?ll reap what you sow
Can?t let that come when that peace won?t fig row, nooo
La la la la la la la la la, oh yeah
La la la la la la la la la, oh yeah
La la la la la la la la la, oh yeah
La la la la la la la la la, oh yeah
See them hypocrites they come again

In my discrete dirty lies they might know my friend
Though, a story like that happened
And the one who spilled on him will have a problem
Hey, who feels it lose, and I suppose that they had me talk to stone
Hoo, you?ll reap what you sow but it the one well that you are bound to drop off
WHo feels it lost, and I suppose that you?ll never know
Ohh, you?ll reap what you sow
Can?t let that come when that peace won?t fig row, nooo
La la la la la la la la la, ooh yeah
La la la la la la la la la, ooh yeah
La la la la la la la la la, ooh yeah
La la la la la la la la la, ooh yeah
