

Hypnotic

Craig David

Hm n no no no hey yeah no oh hey no no yeah girl
I stepped into the club
Clocked this fly girl shakin' her stuff now
Lookin' so hot I could help but say yeah
Moves to make a bother want to go there
I'm talking unbelievable
Never seen a girl quite like this before now
Trying to figure out what I gotta do
To get the chance to spend a moment with you'cause girl you're looking so damn fly tonight
And I know I'd like to take it there alright
What you've got's breaking all of the rules
So keep doing what you're doing ooh baby She's so hypnotic, the way she moves on the floor she's got it
The way she making me feel I shouldn't want it but his girl she's so sexy
So hypnotic got every girl up in this club trying to top it
But that don't mean that this girl is goin' stop it
Oh no she's so sexy No time for drinks at the bar even though she's got me so hot at the risk of
Losing it all, I
Don't want to be the one the fool to let her go
Think it's about time that I dropped my my cool and let her know that
She's sensational got me watchin' every move and got me begging for more well
Holding back it nearly drove me crazy that's when I slid up and said girl excuse
MeMm you're looking so damn fly tonight
Your body gives me butterflies inside
I'd really like to talk to you
So keep doin' what you're doing
Oh baby She's so hypnotic, the way she moves on the floor she's got it
The way she making me feel I shouldn't want it but his girl she's so sexy
So hypnotic got every girl up in this club trying to top it
But that don't mean that this girl is gon stop it
Oh no she's so sexy Thought I'd seen everything in the world
But that all changed for me tonight
From the moment I looked in your eyes girl (ooh you blew my mind)
I know it's crazy but don't get me wrong
I just gotta have you in my life girl
Your vibe's just so hypnotic? Oh baby woo woo woo woo oh yeah
So hypnotic, the way she moves on the floor she's got it
The way she making me feel I shouldn't want it but his girl she's so sexy
So hypnotic got every girl up in this club trying to top it
But that don't mean that this girl is gon stop it

Oh no she's so sexy
Oh no she's so sexy
