

Okay (Acoustic Mix)

Swirl 360

She sat me down and took me by the hand
She said I'll try to make this painless if I can
 She was sorry
 And then she began to cry
 Couldn't look me in the eye
I said baby let me just save you the time
 I can see where this is going
 Tears will fall and hearts will break
 Love's a game we all must play
 So dry your eyes and be on your way
 As for me
I'll be okay Well I thought we were the perfect match
 Its so hard to say that now without a laugh
 There was never ever such a thing
 Not as far as I could see
Not in all of love such misery You can see were this is going
 Tears will fall and hearts will break
 Love's a game we all must play
 So dry your eyes and be on your way
As for me I'll be okay We're gonna be okay
 I can see where this is going
 Tears will fall and hearts will break
 Love's a chance we all must take
 So dry your eyes and be on your way
