

Loving You Is Sweeter Than Ever (2016 Remastered)

[Phil Collins](#)

I remember yet before we met
When every night and day
I had to live the life of a lonely one.
And I remember meeting you,
Discovering love could be so true
When shared by two, 'stead of only one. When you said you loved me (when you said you loved me)
We could not be parted (we could not be parted)
Said, I built my world around you (built my world around you)
And I'm truly glad I found you Because loving you has made my life sweeter than ever.
I never felt like this before
Loving you has made my life so much sweeter than ever. Well each night I pray we'll never part
Because the love within my heart
Grows stronger from day to day.
As best I try, hard I try
To reassure and satisfy.
You know I'd be lost if you went, went away. Because I really need you (I really really need you)
And I need for you to need me too (I need for you to need me too)
I build my world around you (built my world around you)
I'm so thankful that I found you Because loving you has made my life sweeter than ever.
Yes it has, I know it has.
Loving you has made my life sweeter than ever. Because loving you has made my life sweeter than ever.
I never felt like this before
Loving you is sweeter than ever, oh yeah
Yes it has, you know it has. Because I really love you (I really really love you)
And I'm thankful that you love me to (thankful that you love me too)
I have built my world around you (built my world around you)
I'm truly glad I found you Because loving you has made my life sweeter than ever.
I never felt like this before
Loving you is sweeter than ever, oh yeah
Yes it has, you know it has. Loving you has made my life sweeter than ever
