# How I Love

## Crwn & Jess Connelly

Uh yeah, Oh yeah
Please don't make me lose it, you know what you're doing
We've been here before
Even when you're playing, you know what to say
When you don't care at all
Even though I'm only tryna threaten you, baby
Even though I only see the best in you, boy
Even though I'm really tryna win the best in you, baby
I don't ever see (?)

You're the light in my life and everything that I know
Kinda hate to admit that it became personal
I'm secure on my own and yet I still wanted you
Everything that I give is everything that you need
Say

Love me baby (unto the core)
Appreciate me (Even if I'm wrong)
Tell me baby (You like the way I do that, for you)

Do you love how I love
Do you love how I love you
Do you love how I love (Love baby, love baby)
Do you love how I love you (Love baby, love baby, love)
Do you love how I love (Love baby, love baby)
Do you love how I love you (Love baby, love baby, love)
Do you love how I love (Love baby, love baby)
Do you love how I love you (Love baby, love baby, love)

Does he realize whose heart it is that he givin' up
Wanna stay in this relationship, he don't give a fuck
And he stayin', feelin' like oh yeah, she won't walk away
Do he know who he is fucking with

How many else wanna (?)
How many want me badly for one day

How many that it is trying to get in to ur space
I dont let it face me they dont know the plan c
you are the one that got the (?)
When u say that you want me and now that u have me you gotta tell â€˜em how you will.
got it badly cos i cannot flaunt it
if u aint to own this i know that u love
i just need u more than often
Yeah.

Love me baby (unto the core)
Appreciate me (Even if I'm wrong)
Tell me baby (You like the way I do that, for you)

Do you love how I love
Do you love how I love you
Do you love how I love (Love baby, love baby)
Do you love how I love you (Love baby, love baby, love)
Do you love how I love (Love baby, love baby)
Do you love how I love you (Love baby, love baby, love)
