

Higher Place (Angemi Extended Mix) [feat. Ne-Yo]

Dimitri Vegas & Like Mike

Show me to a higher place
Take me to outer space
I want you to be my friend
We'll make it till the world endsShow me to a higher place
Take me to outer space
I want you to be my friend
We'll make it till the world endsDon't give me love
Governed by life
Limited by
These worldly heights
I want a love
That the universe
Can never stop
Can never hurt
I want a love that will last
After this world is our past
A love that no time could erase
A love in a higher place
Show me to a higher place
Take me to outer space
I want you to be my friend
We'll make it till the world endsShow me to a higher place
Take me to outer space
I want you to be my friend
We'll make it till the world endsDon't sell me short
(Don't sell me short)
On unconditional
(On unconditional)
I want a love
Beyond what we all know
Whooooooooo
I want a love that will last
After this world is our past
A love that no time could erase
A love in a higher place
Show me to a higher place
Take me to outer space
I want you to be my friend
We'll make it till the world endsShow me to a higher place

Take me to outer space
I want you to be my friend
We'll make it till the world ends
