Betrayed

Norther

One morning I woke up,
Realized I've been betrayed
Shadows of yesterday
Fill my mind as I drift away
No matter what's ahead.
I'll face the death
I'll find my hate
This twisted fate I have
Shall lead the way
And make you brakeOne night I went to die,
Deceived again,
I was ready to fly
Thousand blades waiting for me,
So fuck you all,
I was meant to be free
My hate was cheating me,
Is this the path,
I cannot see
Too many bridges burned,
Can't you see I am the traitorWould you die for my hate now
Burning in my eyes,
Burning me inside.
I guess I now have to cut you
While lying by your side,
I'm out of my mindThis time the conspiracy,
In your mind went out of line
No more forgiving,
Close your eyes
I'll help you to die
In the night I am beside you,
Weird voices in my mind
You're asleep and I love you,
But more than thousand times I cut youWould you die for my hate now
Burning in my eyes,
Burning me inside
I guess I now have to cut you
While lying by your side,
I'm out of my mind!That night I took your life
And now this traitor dies

And so he died
