

Let's Jump the Broomstick

Brenda Lee

Well come a little baby let's jump the broomstick come and let's tie the knot

Come a little baby lets jump the broomstick come and let's tie the knot

My father don't like it my brother don't like it

My sister don't like it my mother don't like it

Come a little baby let's jump the broomstick come and let's tie the knot Goin' to Alabama back from Texarkana
goin' all around the world

I'm goin' to Alabama back from Texarkana goin' all around the world

My father don't like it...

[sax]

Come a little baby I don't a mean maybe let's settle down

Come a little baby I don't a mean maybe let's settle down

My father don't like it...

[sax]

Well come a little baby lets jump the broomstick...

Goin' to Alabama back from Texarkana...
