

Dead Eyes See No Future

Arch Enemy

Giving our blood
to the Doomsday Machine
Fighting for ravaged land
A worthless gain
Marching on a dead end roadLead - Christopher AmottA violent new disorder
Feeding off mistrust
Forgot what we were fighting for
A worthless aim
A victory stinking of despairDead eyes
See no future
Falling from grace
We are coming homeLead - Christopher AmottBattalions of hate
Seeking shelter in Hell
Bloodstained memories
Will we ever be forgiven?
Our twisted fate
Time will tellDead Eyes
See No Future
Falling from grace
We are coming homeLead melody - Michael AmottDead eyes
See no FutureOutro melody - Michael Amot
