Dead Eyes See No Future

Arch Enemy

Giving our blood to the Doomsday Machine Fighting for ravaged land

A worthless gain

Marching on a dead end roadLead - Christopher AmottA violent new disorder

Feeding off mistrust

Forgot what we were fighting for

A worthless aim

A victory stinking of despairDead eyes

See no future

Falling from grace

We are coming homeLead - Christopher AmottBattalions of hate

Seeking shelter in Hell

Bloodstained memories

Will we ever be forgiven?

Our twisted fate

Time will tellDead Eyes

See No Future

Falling from grace

We are coming homeLead melody - Michael AmottDead eyes See no FutureOutro melody - Michael Amot
