

Tennessee Christmas

Chip Templeton

Come on weather man give us a forecast snowy white
Can't you hear the prayers of every childlike heart tonight

Rockies are callin', Denver snow fallin'

Somebody said it's four feet deep, but it doesn't matter

Give me the laughter, I'm gonna choose to keepAnother tender Tennessee Christmas, the only Christmas for me

Where the love circles around us like the gifts around our tree

Well, I know there's more snow up in Colorado than my roof will ever see

But a tender Tennessee Christmas is the only Christmas for meEvery now and then I get a wanderin' urge to see

Maybe California, maybe Tinsel Town's for me

There's a parade there, we'd have it made there

Bring home a tan for New Year's Eve

Sure sounds exciting, awfully inviting, still I think I'm gonna keepAnother tender Tennessee Christmas, the
only Christmas for me

Where the love circles around us like the gifts around our tree

Well, they say in L.A. it's a warm holiday, it's the only place to be

A tender Tennessee Christmas is the only Christmas for meWell, I know there's more snow up in Colorado than
my roof will ever see

But a tender Tennessee Christmas is the only Christmas for me

A tender Tennessee Christmas is the only Christmas for me
