

# Don't Be So Hard

## The Audition

Don't be so hard on yourself  
The name of the game is humiliation  
And thanks for your admiration  
I never thought I'd say this, the way that we play  
Has such confrontation and guilt by association Hold me, hold me, if I were to  
I can't, can't, I swear I can't let you  
It's all in your hands, so I'll do what I can  
So you can do what you have to  
So you can do what you have to Don't think too hard about it  
You never thought I'd get this far  
Would get this far without you  
Relax, stand back and watch it happen  
I'll wave my goodbyes into the night and say Hold me, hold me, if I were to  
I can't, can't, I swear I can't let you  
It's all in your hands, so I'll do what I can  
So you can do what you have to  
So you can do what you have to Say you'll never ever, say you'll never ever  
Say you'll never let me go  
Say you'll never ever, say you'll never ever  
Say you'll never tell a soul  
Say you'll never tell a soul Hold me, hold me, if I were to  
I can't, can't, I swear I can't let you  
It's all in your hands, so I'll do what I can  
So you can do what you have to  
So you can do what you have to
