Do You Feel What I Feel

Jls

(Put your hands in the air baby)
There's a girl dancing dirty over there
Do you see what i see?
The way she moves i just had to stop and stare
Do you see what i see?
There's a dj playing all our favorite songs
Do you hear what i hear?
We've been drinking so we ought to sing along
Do you hear what i hear?
Dancing with you so easy 'cause you're beautiful
You make it hard for me girl every time we're on the floor
I wanna kiss you 'cause i gotta know that tonight is real
chorus:
Do you feel what i feel?
Do you feel what i feel?
Do you feel what i feel?
The speakers killing the club
(Do you feel what i feel?)
Two people falling in love
Now the bartender's turning on the lights
Do you see what i see?
Got my car and it's waiting outside
You should leave when i leave
Dancing with you is so easy 'cause you're beautiful
You make it hard for me girl every time we're on the floor
I wanna kiss you 'cause i gotta know that tonight is real
chorus:
Do you feel what i feel?
Do you feel what i feel?
Do you feel what i feel?
The speakers killing the club
(Do you feel what i feel?)

Two people falling in love
Can you feel the temperature rising
Can you feel the drink in your cup
Let me cast a beat and we'll ride it
Go ahead and put your hands up
Can you feel the temperature rising

Can you feel the drink in your cup
Let me cast a beat and we'll ride it
Go ahead and put your hands up
Put your hands in the air baby
Put your hands up
Its JLS, do you feel what i feel
put your hands up
put your hands up,
put your hands up
put your hands up
do you feel what i feel
[chorus:]the speakers killing the club
do you feel what i feel
two people falling in love
do you feel what i feel
the speakers killing the club
do you feel what i feel
two people falling in love
do you feel what i feel
two people falling in love
two people falling in love
two people falling in love
do you feel what i feel?
do you feel what i feel?
do you feel what i feel?
