Firewall

Axel Rudi Pell

You're crossing the line,
Running with the devil
You're out of control
I'm begging you pleaseBaby come back to me
Don't want to let go
A shot in the air cuts through the night
Searching for dangerYou're hungry for sin,
You got no chance to win
Screaming for vengeance
Scratching my heart,You're scratching my soul
I still don't know, which way to go
Like a firewall, love came down
Like a firewall, crashing to the groundLike a firewall, love came down
Like a firewall, silence is the sound
I'm crying for mercy, gimme some more
Gonna even the scoreWheels are turning, my mind's yearning
I can't take anymore
Scratching my heart, scratching my soul
I still don't know, which way I should goLike a firewall, love came down
Like a firewall, crashing to the ground
Like a firewall, love came down
Like a firewall, silence is the soundLike a firewall
Like a firewall
