

Lead Us

Katchafire

Uh, lets go. Our love gets sweeter everyday.
You turn my switches on every single wa-ay. (Every single way)
You got me tripping on your roots a-ay. (Yeee-hea)
I've got your love by fever, you're my only remedy. (Only remedy)
No matter what the time of day,
I'm gon' stop what i'm doing. (doing)
I'll build a track and head your way,
I'll be there anytime. For you love, i'm falling for you,
And i hope you're falling too.
Just take my heart,
And ima show you what we're gonna do.
You got me saying,
Ooo la, lala, la, laaa yeeeey.
Ooo la, lala, la, laaa yeeeey,
It just gets sweeter everyday. (Step with me) Now there's no need to search and find,
Your love could stop my heart,
It's like I've been drinking wine (or getting high)
The colour of our well soon gonna shine (yee hey),
I'll be your lifetime love,
No pressure take your time (take your time) No matter what the time of day,
I'm gon stop what I'm doing, (doin)
I'll build a track and head your way,
I'll be there anytime
For your love, im falling for you,
And i hope you're falling too,
Just take my heart
And ima show you what we're gonna do You got me saying
Ooo la, lala, la, laaa yeeeey,
You got me saying
Ooo la, lala, la, laaa yeeeey,
It just gets sweeter everyday. Yee hey
On your love, i'm falling for you,
And i hope you're falling too.
Just take my heart,
And ima show you what we're gonna do You got me saying,
Ooo la, lala, la, laaa yeeeey.
you got me saying
Ooo la, lala, la, laaa yeeeey,
It just gets sweeter everyday. You got my love everyday, (everyday)

You got my love everyway.
You got my love everyday,
Everyday, eveeeeerydaaaaaay, everyday.
Eveeeeerydaaaaaay, everyday.
