Gimme Lyrics

Cheryl Pepsii Riley

I've always giving you all that I have but I'm tired of hearing you say.

Chorus:

Gimme you can't spend your whole life saying gimme and not give in return. Naw Naw. Gimme you can't take  
up all my time saying gimme and not give in return.

Verse 1:

So you wanna get all I got ow cause you think I got a lot, well I do. But I always works for mine. So maybe it's  
a J-O-B you be fine. Now I'm giving you my love. Baby you I guess that's not enough. Sugar. How hard  
you think it would be for I see you taking me for granted.

Chorus:

Gimme you can't spend your whole life saying gimme and not give in return. Naw Naw. Gimme you can't take  
up all my time saying gimme and not give in return.

Verse 2:

Now you wanna look sad and blue. You really do. About you didn't think twice not spoiling you. I'm not sure  
that your love was all that great seems like I did all the giving while all you did was take. I don't mean to flaunt  
it in your face. But I need Oh boy it comes from deep within. From you I see it can't be done the love you gave  
to me was none and I can't let you take advantage.

Chorus:

Gimme you can't spend your whole life saying gimme and not give in return. Naw Naw. Gimme you can't take  
up all my time saying gimme and not give in return.

I'm so tired of giving you my love and never getting in return baby Gimme and not give in return.

Talking:

Chorus:

Gimme you can't spend your whole life saying gimme and not give in return. Naw Naw. Gimme you can't take

up all my time saying gimme and not give in return.
