

# Creole Woman

[Toby Keith](#)

I stopped in Thibodeaux, Roadhouse in Louisiana  
I wasn't stayin' long, I was a wanted man  
The air was thick with danger, I watched the vixens dance  
My six gun in my pocket, my pistol in my pants  
I let her walk upon me, she pinned me to the door  
She said she swore she knew me, we'd never met before  
She pressed up hard against me, I stared into her eyes  
She grabbed my face and kissed me, she had me hypnotized  
I'm runnin' down the road, can't find the interstate  
It's like I'm bein' followed and I can't get away  
The snakes and alligators, they whisper in the wind  
I hear her callin' to me, I turn around again  
Cry of a creole woman, woke up the devil down in me  
She took me to her bedroom, smelled like a cheap hotel  
Never had a Cajun queen, I'm used to Southern belles  
But through the smoky billows of my tobacco leaves  
I watched her in the mirror as she was lovin' me

I'm runnin' down the road, can't find the interstate  
It's like I'm bein' followed and I can't get away  
The snakes and alligators, they whisper in the wind  
I hear her callin' to me, I turn around again  
Cry of a creole woman, woke up the devil down in me  
What's this, you wicked woman, some kind of voodoo game?  
Hell I haven't slept since Thursday, don't even know your name  
This spell you got me under, got just one remedy  
Just like a poison potion, that goes down smooth and sweet  
I'm runnin' down the road, can't find the interstate  
It's like I'm bein' followed and I can't get away  
The snakes and alligators, they whisper in the wind  
I hear her callin' to me, I turn around again  
Cry of a creole woman, yeah, the cry of a creole woman  
Woke up the devil down in me
