I'm Over You

CeCe Peniston

Once before, we had a love
A love that no one else could ever have
And now it's a thing of the past
You and I, we had a love
Now you say that you
Don't want to be with me
And you say that you wanna be freeCHORUS:
Been through those bad times
Now I'm over you, no more cloudy days
Wipe those tears away
Been through those bad times
But I'm over you, no more cloudy days
Wipe those tears awayI tried so hard to
Wipe those tears away (tears away)
Thinking about you
Every day (every every every day)
And it blows my mind to know
That you're not here (drip drop drip drop)
Oh but I'm here to let the world know
That I'm over you, my babyCHORUSBRIDGE:
The coldest day was the day when
You walked right out my life
But I knew that the Lord would make it right
And I know that I wasn't prepared to say goodbye
But I survived, cause I'm, I'm over youVAMP:
No cloudy days, no more cloudy days
No cloudy days, no more cloudy days
Wipe those tears away
