The Inevitable Relapse (Clayton Worbeck Mix)

When I wake up, I can't stay up
There's no time for hope
Mr. Hung out Mr. Torn up
Looking for the phoneI'll give you something that you're waiting to see
I'll give you something that would set you freeDrink it, drink it, snort it, smoke it
Every little thing I love about it
Drink it, drink it, snort it, smoke it
YeahDrink it, drink it, snort it, smoke it
Every little thing I love about it
Drink it, drink it, snort it, smoke it
YeahGot it crushed up, got it blown up
Suck it through the straw
Love is murder, love is further
Further down the holeI'll give you something that you're waiting to see
I'll give you something that would set you freeDrink it, drink it, snort it, smoke it
Every little thing I love about it
Drink it, drink it, snort it, smoke it
YeahDrink it, drink it, snort it, smoke it
Every little thing I love about it
Drink it, drink it, snort it, smoke it
Yeah
