

XOXOXO

Black Eyed Peas

Hey girl you know our special
Wanna jump through the phone
Give you best though
Wanna hold you tight never let go.
'Cause your loves like magic, presto.
Girl lets tangle up like a pretzel.
Kama sutra loving baby lets go
Girl I put you in a trance like Tiesto
But I ain't talkin' bout techno.
Girl you stole my heart like a klepto'
Butterfly's in my tummy need Ppepto.
Besmo baby give me more sex though
It's your pleasure like I'm Geco
Girl will I stop loving you? Heck no!

For the lovers
For the lovey love lovers
Love her
Need her
Can't leave her
Ring ring
Forever
Liked her
Wifed her
Wedding ring
We out holding hands
Doing lovey dove, doing lovey dove, doing lovey doveWe stay, kissing
Permanent
Lips locking knockin'
Smooch na na na na smooch.
Break it down to the ground
Love my honey down
Love my honey down

Love my honey down
