

# I Believe In You and Me

## Whitney Houston

I believe in you and me  
I believe that we will be  
    In love eternally  
    Well as far as I can see  
    You will always be the one  
For me, oh yes, you willAnd I believe in dreams again  
    I believe that love will never end  
    And like the river finds the sea  
        I was lost, now I'm free  
'Cuz I believe in you and meI will never leave your side  
    I will never hurt your pride  
    When all the chips are down, baby  
        Then I will always be around  
        Just to be right where you are  
My love, you know I love you, boyI will never leave you out  
    I will always let you in, boy, oh baby  
        To places no one's ever been  
        Deep inside, can't you see?  
That I believe in you and meMaybe I'm a fool  
    To feel the way I do  
    I will play the fool forever  
Just to be with you foreverI believe in miracles and love's the miracle  
    And yes, baby you're my dream come true  
        I was lost, now I'm free  
Oh, baby 'cuz I believe, I do believe in you and me  
    See, I was lost, now I'm free  
    'Cuz I believe in you and me  
        Believe in you and me
