Wind Me Up

Big Mello

There ought to be a law against it
To lead a man on and then let him go
What's the world comin' to
When you can't slide into home
Tell it like it is woman
Tell the boy maybe or to never mind
We could go all the way
And the big boys don't like to waste time, no
Wind me up, I need enuff to keep me satisfied
Wind me up, I wanna hold you but my hands are tied
Wind me up, you kiss me quick and then you turn me off
Wind me up
The only way she winds you up
Is when you ask for too much trouble
Ain't no room for a second chance
When the first one ain't even over
Packed with a powerful love
That I just can't get enough of
Lay your cards on the table, baby
Make no mistake about it
Wind me up, I need enuff to keep me satisfied
Wind me up, I wanna hold you but my hands are tied
Wind me up, yeah, you kiss me quick and then you turn me off
Wind me up, wind me up
I've got you now baby
It's time to let the cat out of the bag
Wind me up
Wind me up
Wind me up
Wind me up, I need enough to keep me satisfied
Wind me up, I wanna hold you but my hands are tied
Wind me up, you kiss me quick and then you turn me off track
Wind me up, turn me on, turn me on, turn me on
...
