

Damn, Girl

Heems

When you come around I tell you "Girl, we been there"
And then you come around and I forget, huh, I don't care at all
We go back and forth, we can't let go but we both need to
We put each other up on pedestals instead of being equals You keep running back to me and me, I'm sick of
going back
You keep on insulting and then I'm just throwing back
We can't go on like this, I feel like I'm on fire
We can't go on like this, I'm getting so tired Damn, why you came around?
I already told you, I ain't even down Damn! Damn...
Damn! Damn, damn, damn, damn
Damn! Damn...
Damn! Damn, damn, damn, damn
This shit is the worst. You need to leave me the fuck alone
Me, I'm weak. You know that and you still keep hittin' my phone
You're a trigger, you're a killer and I ain't finna bone
You're a trigger, you're a killer and you take me out my zone You keep running back to me and me I'm sick of
going back
You keep on insulting and then I'm just throwing back
We can't go on like this, I feel like I'm on fire
We can't go on like this, I'm getting so tired
Damn, why you came around?
I already told you, I ain't even down Damn! Damn...
Damn! Damn, damn, damn, damn
Damn! Damn...
Damn! Damn, damn, damn, damn
