Daydreamer  
Sitting on the sea  
Soaking up the sun  
He is a real lover  
Of making up the past  
And feeling up his girl  
Like he's never felt her figure before

A jaw dropper  
Looks good when he walks  
Is the subject of their talk  
He would be hard to chase  
But good to catch  
And he could change the world  
With his hands behind his back, oh

You can find him sittin' on your doorstep  
Waiting for a surprise  
And he will feel like he's been there for hours  
And you can tell that he'll be there for life

Daydreamer  
With eyes that make you melt  
He lends his coat for shelter  
Plus he's there for you  
When he shouldn't be  
But he stays all the same  
Waits for you  
Then sees you through

There's no way I  
Could describe him  
What I'll say is  
Just what I'm hoping for

But I will find him sittin' on my doorstep  
Waiting for a surprise  
And he will feel like he's been there for hours  
And I can tell that he'll be there for life  
And I can tell that he'll be there for life
