Tell Me

Showoff

If I told you that I never'd leave your side
Would you always stay by mine?
Sometimes I wonder if you care at all'Cause I want each day to last at least
A thousand years if not a thousand more
'Cause I don't really think about a thing that I am saying
All I know is that I tell the truth
And I don't really care about the people that are playing
All I know is my heart yearns for youSo tell me, tell me, tell me
Tell me, how do you feel?
Tell me, how do you feel?
Tell me, how do you feel about me?If I told you that I never'd leave your side
Would you always stay by mine?
Sometimes I wonder if you care at all'Cause I want each day to last at least
A thousand years if not a thousand more
'Cause I don't know a thing about a thing that I am saying
All I know is that I tell the truth
And I don't really care about the people that are playing
All I know is my heart yearns for youSo tell me, tell me, tell me
Tell me, how do you feel?
Tell me, how do you feel?
Tell me, how do you feel?
Tell me, how do you feel about me?
