Push the Button

Poison Idea

Push the button, pull the lever
Flick the switch, I think me clever
Turn the peg that makes you move
The earth is flat but my guitar's in tune
I'm a mechanical boy
I'm a mother's toy
Level this happy place
Exterminate the race
That's right, do it now, baby.

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
