Our Truth

Lacuna Coil

Clock is ticking while I'm killing time
Spinning all around
Nothing else that you can do
To turn it backWicked partnership
In this crime
Ripping off the best
Condescending smileTrying to Forget
(Wasting my time)
We're falling right through

Lying to forget

(Telling more lies)

We're raising our truthCome and tease meClock is ticking while I'm stealing time

Can't you turn it back?

Stop the cycle

Set it free

Run awaySilent Sneaking

Along my Path,

Rugged the Road

But we Feel,

It Like We're FlyingTrying to Forget

(Wasting my time)

We're falling right through

Lying to forget

(Telling more lies)

We're raising our truth
