Live for Today

GrimSkunk

Sittin? in my room staring at the wall
Wonderin? about the meaning of it all
Why is it this thing called life
Has got me goin? crazy?
So I open up your word and let it speak to me
The purpose and the plan that you?ve designed
Is clear to see and I believe
I?m gonna live for today
I?m gonna follow in your way
I?m gonna let my little light shine
Like there?s no tomorrow
I won?t worry about the past
I know my future is intact
So I?ll choose to live my life one way

I?m gonna live it for today
You told me not to worry about what lies ahead
So I am gonna focus on today instead
Making every moment count and counting
Every single blessing
I?m gonna set my mind on the
Here and the now
This is what I want my life to be about
And this is how
My oh, so crazy life
It?s got me spinnin? round and round
Hanging upside down, takin? one step at a time
Holding your hand all the way and it?ll be okay
