Wake Up Sister

Parov Stelar

along his way
ways today or with us you will ride
along his way
ways today or with us you will ride
Hell a-riding
Then cowboy change your ways
Hell a-riding
across these endless skies
along his way
ways today or with us you will ride
along his way
ways today or with us you will ride
along his way
ways today or with us you will ride
Then cowboy change your ways
Hell a-riding
across these endless skies
