

# Love Your Memory

**Miranda Lambert**

I don't wanna see you or feel you  
I don't wanna look into your eyes  
I don't wanna touch you or miss you  
I just wanna love your memory tonight I can't handle all this pain  
All we ever do is fight anyway  
Why we even tried I haven't a clue  
With hearts involved there's way too much to lose I don't wanna see you or feel you  
I don't wanna look into your eyes  
I don't wanna touch you or miss you  
I just wanna love your memory tonight You were something else to look at  
Your intentions they weren't all bad  
You tried to make me something I wasn't  
Lord knows there ain't no future in all that
