Ridiculous

My Little Life

Skillfully tested, rhythmically possessed with rhymes
And when it was time, Jah gave me the mic after he blessed it
He said share the loving, prepare them for the Second Coming
Beware of the false prophets, because they got my people bugg'n
Put on the full armor, cause you know these fools they're gonna wanna
Talk behind your back, but stay away from the drama
You know that I'm gonna keep you safe inside the palm of my hand
Cause you the man and that's word to your mama
So give it to 'em, it's themselves that they're fool'n
Gotta head of the game too quick, what they lack is ol' school'n
You know who's who, whether or not I'm talking to your crew
It's up to you to keep it true, nuff respect due
Dem test me crew, but dem can't get with this
Dem all the same, talking wickedness (nonsense ?C 2nd time)
Your styles been played, and I'm already sick of it
Them so ridiculous, them so ridiculous
Original Rude Boy, we bring the styles
Ain't heard this in a while, check the stats, review my profile
They dime a dozen, can't understand why all the fuss'n
Known for talking loud but they really saying nothing
With every word you poison my mental concept
Negative be the topic, somebody's got to stop it
And clear your mind and continue to come alive
And he love, we love, bring it back, come, rewind
Dem test me crew, but dem can't get with this
Dem all the same, talking wickedness (nonsense ?C 2nd time)
Your styles been played, and I'm already sick of it
Them so ridiculous, them so ridiculous
To all my peoples that be keeping it real
They know the time and they know the deal
To all my peoples that are down with this crew
We keep it live cause this one's for you
Dem test me crew, but dem can't get with this
Dem all the same, talking wickedness (nonsense ?C 2nd time)
Your styles been played, and I'm already sick of it
Them so ridiculous, them so ridiculous
"Christ"
You're not who they say you are
They made you the enemy

(CHRIST-Jah fleshCHRIST-Light withinCHRIST- Beginning and the end)
Taken something so beautiful
Painted a new picture that makes me sick
(CHRIST-WitnessCHRIST-Living oneCHRIST-First and the last)
Feed our minds confusion
Sweeten the taste of pollution
(CHRIST-Word lifeCHRIST-ResurrectCHRIST-Everlasting Jah)
Dem test me crew, but dem can't get with this
Dem all the same, talking wickedness (nonsense ?C 2nd time)
Your styles been played, and I'm already sick of it
Them so ridiculous, them so ridiculous
I refuse to be like you
Without life, caving in
(CHRIST-Jah fleshCHRIST-Light withinCHRIST- Beginning and the end)
I surrender, giving up all that is me
Yielding to you
(CHRIST-WitnessCHRIST-Living oneCHRIST-First and the last)
Shape me in my brokeness
Empower me forever
(CHRIST-Word lifeCHRIST-ResurrectCHRIST-Everlasting Jah)
Dem test me crew, but dem can't get with this
Dem all the same, talking wickedness (nonsense ?C 2nd time)
Your styles been played, and I'm already sick of it
Them so ridiculous, them so ridiculous
I know you will complete this work started in me
I need you more than ever now that I know who you are
I know you will complete this work started in me
I need you more than ever now that I've come so far
