Lost

Jonathan Jeremiah

Maybe youâ€™ve asked me meet you here to tell me
That you wanna try and work it out
Oh let me down gently
Well I, I couldnâ€™t claim that things were perfect
Sure money's tight and rent's too high
Still what we have is worth it
So I think you need to hear that

[Chorus]
I, I'd be lost without you baby
I couldnâ€™t go on, it drives me crazy
I, I'd be lost without you baby
So stay right here, stay right here with me

I know youâ€™ll say itâ€™s been a struggle
Weâ€™ve lost our touch
Me, I drink too much
Maybe thatâ€™s the trouble
But say weâ€™ll find a way together

[Chorus]

Just like that first night we might
2 AM by the gate we jumped the fence
Weâ€™re hiding out
We're playing out, laying down
? in the dark

[Chorus]

Stay right here
Stay right here

With me
