More Than Words

Sungha Jung

Saying I love you
Is not the words I want to hear from you
It's not that I want you
Not to say, but, if you only knew
How easy, it would be to show me how you feel
More than words, is all you have to do to make it real
Then you wouldn't have to say, that you love me
Cos I'd already know

What would you do, if my heart was torn in two
More than words to show you feel
That your love for me is real
What would you say, if I took those words away
Then you couldn't make things new
Just by saying I love you

More than words...

Now that I've tried to, talk to you and make you understand
All you have to do is close your eyes
And just reach out your hands, and touch me
Hold me close don't ever let me go
More than words, is all I ever needed you to show
Then you wouldn't have to say, that you love me
Cos I'd already know

More than words...

More than words...
