Fare Thee Well

Braddigan

There's a cold wind blowing across my heart
Feels like forever since we've been apart
It's so hard, baby, I don't know where to begin
I've been so lucky in this life of mine
The best of both worlds most of the time
But now I know it's time for me to go
Fare thee well, I'll soon be gone
Fare thee well, back where I belong
We had our moments, our days in the sun
But now it's time I should be movin' on
But you'll be in my heart, wherever I go
#
I'm on my way, I'm going home
My bags are packed and I'm ready to roll
I'm goin' home, don't you cry
Let's have a drink before we say goodbye

I'm goin' home
Goin' home
All the love we've shared for years
Enough to make a heart break
All the joy, all the tears
Take me back where I belong
#
I'm going home
Going home
I'm on my way, I'm goin' home
My bags are packed and I'm ready to roll
I'm goin' home, don't you cry
Let's have a drink before we say goodbye...
I'm goin' home
Goin' home
